*** Good News! ***

AcupunctureDVDs is making a 6 DVD recording of the complete workshop. Previous experience shows that it's impossible remember all the information presented. The DVD set is the only way of getting full value from the material presented. In previous workshops 95% of attendees purchased a DVD set.

The DVD set of this workshop will be available at a discounted rate to attendees.

Normal web price after the workshop will be \$150

Workshop discount price for the DVD set for attendees only is \$85 (includes postage)
